BetterWorldBooks®

For the love of literacy - Better World Books &
Internet Archive unite to preserve millions of books

Shared Print/Print Retention

allow your group to shed more of designated titles without jeopardizing last copy and ensure that they have access to those books that they do choose to take off the shelf

Use our collection as a comparator in OCLC to make decisions about your holdings

Recap

- Libraries are actively participating in CDL
- Open Libraries has a growing collection of digitized books that you can offer your patrons & use to make decisions about your physical collections
- Our new partnership with Better World Books is helping build out that collection
